## Registration & Stand reservation

Registration takes place in writing through the registration form, the power supply form and the acknowledgement of receipt of national, local & festival regulations (hygienic standarts, drinking age, penance index). The host holds a veto right by the initial registration. The standlocation will only be rented out for the duration of three days. The host will bill the trader by the indications on the registration forms.

**The reservation of the location of a stand is decisive as of march the 30th 2009. From this date on the entire billed amount is fall due (onto the host's account: PC 80-38311-2).**

## Term of payment.

Payments may be transferred as of the three following dates: february the 25th 09, march the 25th 09 or april the Deposit 25th 09 (dates of reception)

The host encourages early registrations. For this reason the traders costs vary as of the date on their poststamp on their letter of registration received. Example: you register by mail in february and receive a reduced bill according to early registration but you only end up paying in march or april. In this case the host will adjust your bill to the price as of the month your money has been received. Assembly of stands can only take place when the entire billed amount has been transferred prior to the festival.

## Revocation

Receipt of payment as of march the 30th 2009 or before: with exception of a processing fee of 200.- CHF the entire amount will be reimbursed Receipt of payment after march the 30th 2009: the entire amount will be retained by the host (except in case of severe sickness or death -- where-as doctor's notes will be needed) Revocation of registration without billed amount received: the entire amount is fall due.

## Deposit

The deposit will not be paid cash anymore after the festival but solely reimbursed by payment slip afterwards. Please attach to your registration a payment slip with your account nr. on it. The deposit will be transferred in CHF by june the 30th 2009 latest. In case the host may not have received your payment slip as of this date, the deposit will be retained as its own.
